

Coach Matt Doherty's Stage Introduction:

We are honored to have Coach Matt Doherty with us today! Many of you may know him as the tall guy with gray hair that played basketball with Michael Jordan at UNC, or the animated basketball coach from the sidelines of Notre Dame and North Carolina.

His friends and family simply know him as the fun loving, terrible golfer that he truly is. From the playgrounds of New York to Wall Street, the NCAA and the school of hard knocks - please welcome Coach Matt Doherty!
